**80**

**1,060**

Number of Students

**1,900**

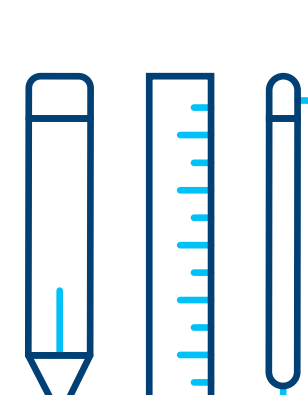

## School Vision

### International School of Creative Science

“ We wanted to bring exciting learning experiences to our students and we knew we can only do this if we leverage digital tools. This brought us the confidence to embark on a 1:1 iPad journey.

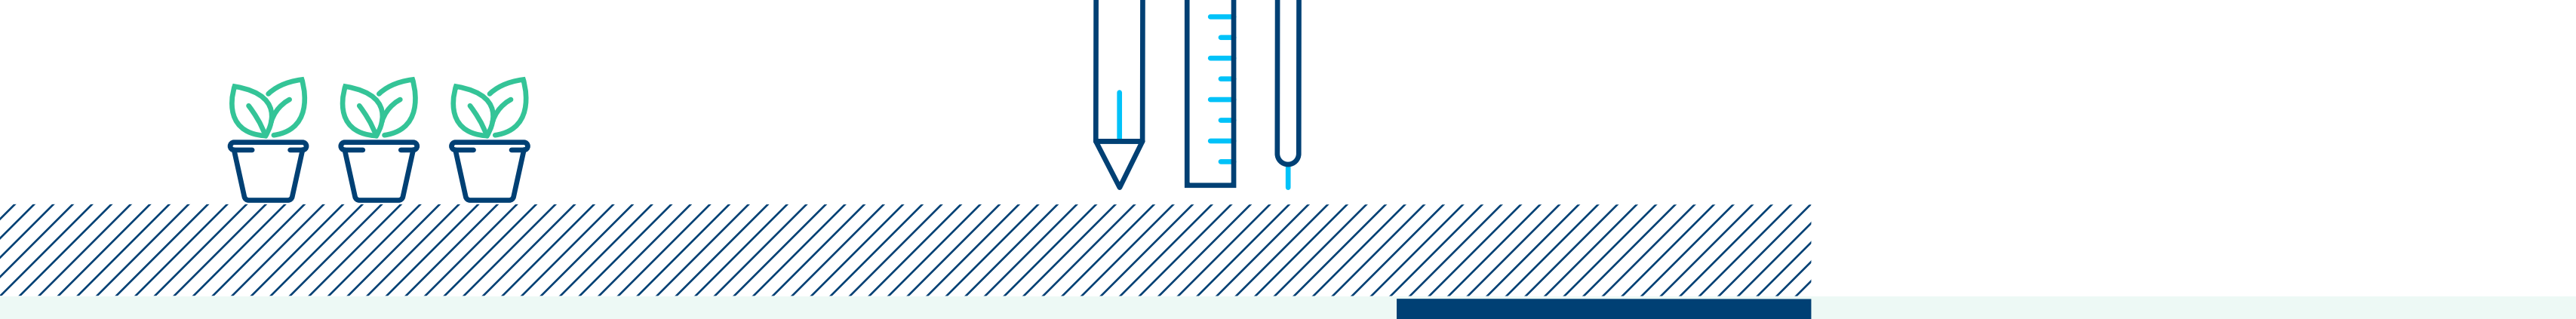

**Mohsin Abbas Rehman**  
Head of Innovation

### Horizon Private School

“ We are committed to creating a secure and stimulating learning environment where students can reach their maximum potential through high standards in teaching and leadership.

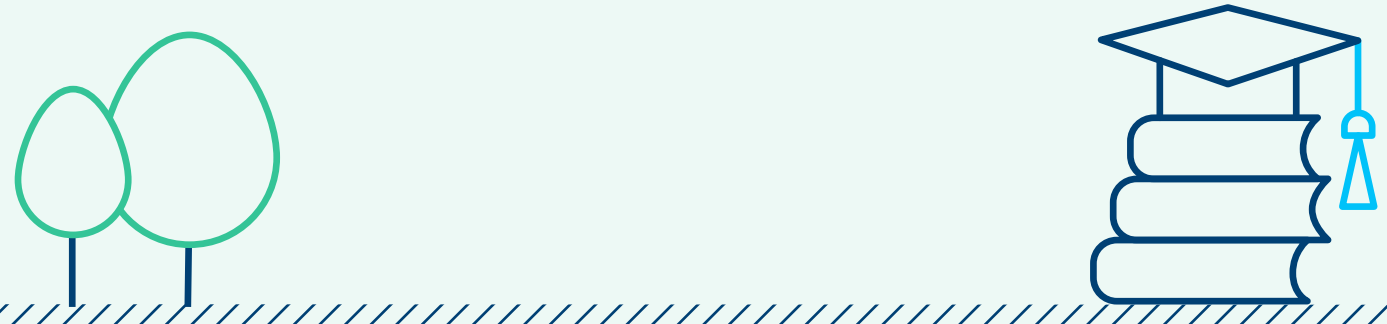

**Nicolas Jreije**  
Administrative Director

## Challenges

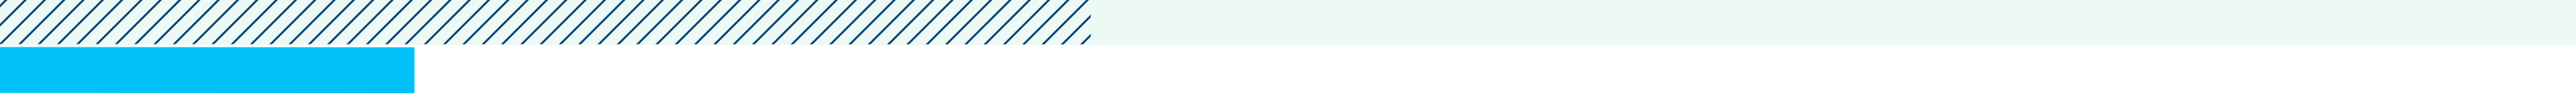

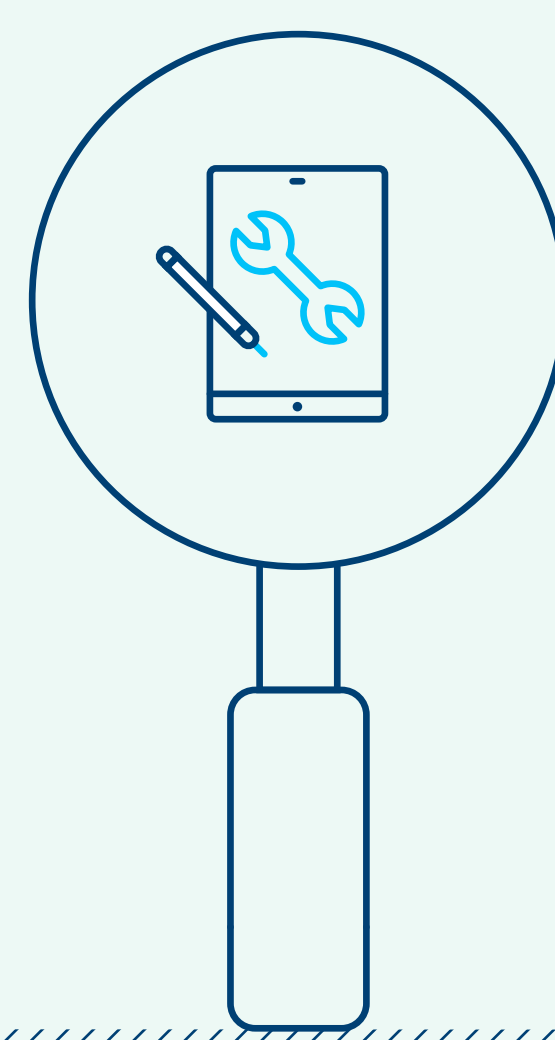

### International School of Creative Science

“ We felt that we needed to improve our students' level of engagement and interaction with the learning activities, in and out of the classroom.

### Horizon Private School

“ Deploying 800 iPad devices was not an easy task since it was our first year doing so. In addition, we had to train all stakeholders in a relatively short period of time.

## Transformation after BYOiPad Program

### International School of Creative Science

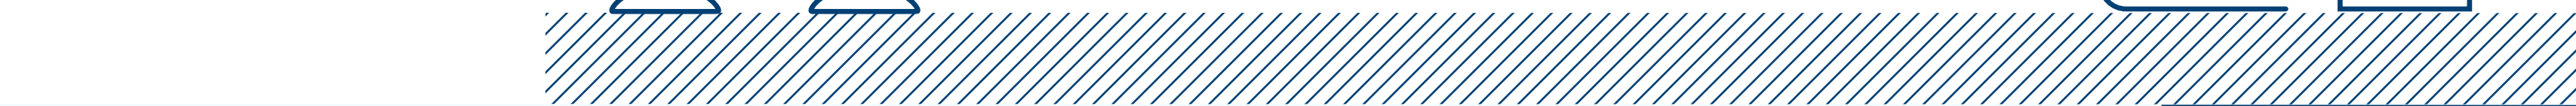

“ Our students appreciated the new and exciting ways to learn and the creative and collaborative opportunities that these devices brought to the table. Oh, and we saved a ton of money on printing costs!

**3 years**  
into the program

### Horizon Private School

“ Teachers became more aware of the power of technology while students became more engaged and active in their learning with a strong focus on self-paced research and independent learning.

## Key reasons for choosing to work with MDS

### International School of Creative Science

“ MDS stood out to us for several reasons. The communication was great. The team was approachable, friendly and had expert knowledge in their individual fields.

### Horizon Private School

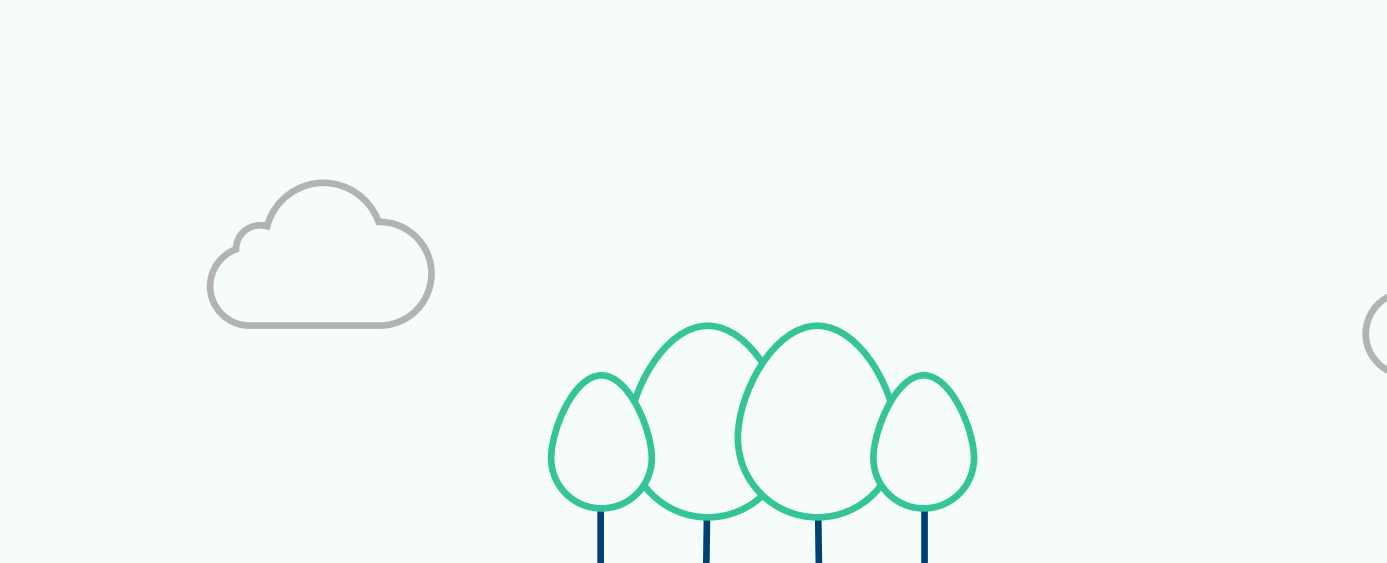

“ The moment we met with MDS, we felt that they are very customer-oriented and provided us with a clear guideline and a detailed step by step program to reach our goal.

## Overall experience of working with MDS

### International School of Creative Science

“ It has been a pleasure working with MDS. The experience from start to finish has been great.

### Horizon Private School

“ It was a very pleasant experience. We felt very supported and understood.
